Why Join Our Racing Club?

The A YOUNG RACING CLUB has been involved in the horse-racing industry for over 23 years, during which time we have established a successful business with a team of professionals dedicated to providing our members with exclusive information. We stand out from other so-called 'racing services', because the A YOUNG RACING CLUB consists of an elite group of select professionals. Access to top quality contacts, providing unique and privileged information, means membership offers substantial profits – and an unrivalled opportunity to invest in the future.

With the majority of our members making up to £5000 clear profit every week, membership is necessarily limited, and, at the present time, just 100 places are available. This is your exclusive invitation to take up one of them.

Getting Early Information

Horse-racing is our business – and for those engaged in the industry, making money is of paramount importance. We have over 80 connections within the world of horse-racing, and our team work tirelessly through the early hours to provide you with the right information for the day ahead. From 5.00am calls to stable hands, through to in depth discussions with top trainers, we go to every length to ensure the information that we give you is correct. Our hand-picked sources have been proved reliable – and profitable - time and time again. Unless they are sure a horse will win, we do not act, so membership gives you access to an unparalleled source of reliable insider information.

Corporate Days

Membership to our exclusive club also entitles you to join our team on race days, offering you use of our private boxes, along with the invaluable guidance of a personal 'special guest', who will talk you through each race.

There are a number of themed race days on offer, and promotional gifts are available to ensure the day runs smoothly and to make it even more memorable. Events include The Derby Meeting, Royal Ascot, Glorious Goodwood, the Grand National, Chester Week, York Races, and many many more. Simply tick the relevant box when filling out the form overleaf, and we look forward to welcoming you to the meeting of your choice.

Results

Evidence of our fine run of form since the start of 2009, these successes are due to up providing the right information on the day of the race.
